## About the college

Bharathi Women's College is an autonomous institution affiliated to the University of Madras. It was started in the year 1963 and has entered into its 55<sup>th</sup> year of glorious educational service. The college offers quality education to more than 4600 students through 13 under graduate courses, post graduate courses, 5 M.Phil. and 6 Ph.D. programmes, with well equipped infrastructures.

During the year 2015 NAAC reaccredited our college and awarded 'A' status for excellent performance of various departments. The college has been functioning as an autonomous college since 1998 and has made great strides in education and research with more than 95 research scholars presently pursuing doctoral research.

## About IIR

Integrated Intelligent Research (IIR) is a gateway for Educational Empowerment in India. IIR is a solution provider for total institutional empowerment which includes Research, Journals, Publications, Conferences, Training and Development, Placement and Educational Quality Management System (E-QMS) consultancy Services, accreditations and ranking .

## About workshop

The Outcome based Education (OBE) is a student-centered instruction model That focuses on measuring student performance through outcomes. This workshop provides tools and strategies for Arts and science faculties to enable them to be more effective. It has been argued, for good reasons, that outcome- based education represents the most important development in education in the past two decades. Outcomes include knowledge, skills and attitudes. Its focus remains on evaluation of outcomes of the program by stating the knowledge, skill and behavior of a graduate upon completion of a program. In the OBE model, the required knowledge and skill sets for a particular degree is predetermined and the students are evaluated for all the required parameters (Outcomes) during the course of the program.

A clear specification of the end product of training and the associated learning outcomes is essential for effective curriculum planning. The workshop is intended to provide overview of mapping and development of outcome, at program and course level.

## Topics addressed includes:

- ✓ Mapping between Institution, Program and courses
- ✓ Teaching-Learning styles
- ✓ Planning a course
- ✓ Identifying learning objectives
- ✓ Encouraging students to get involved in learning

## Registration

Registration Fee : Rs.250 per Participants

### Note:

- i) All the selected members should bring the college mission , program mission, program objectives and a sample course syllabus
- ii) Registration Link : Visit Email : [accreditationiir@gmail.com](mailto:accreditationiir@gmail.com)
